Full job description

Job Summary: "The services are provided in the patient's natural environment." We seek dedicated and compassionate Speech Language Pathologists and Occupational therapists to join our team and make a lasting impression on the lives of the children and families we serve. As a Speech speech-language pathologist or Occupational therapist, you will evaluate, diagnose, and treat patients' disorders. You will work closely with patients of all ages in various settings, including hospitals and acute care facilities.

Duties: - Conduct assessments to evaluate patients - Develop individualized treatment plans based on assessment results - Provide therapy sessions to improve patients' lives - Collaborate with other healthcare professionals to coordinate patient care - Supervise Assistants - Monitor patients' progress and adjust-

Treatment plans as needed - Document patient evaluations, progress, and treatment outcomes.

Requirements: - Master's degree from an accredited program - Current state license or eligibility for licensure as a Speech Language Pathologist or Occupational Therapist - Strong case management skills to effectively coordinate patient care - Experience working with patients in ICU or acute care settings is a plus - Familiarity with medical terminology related to each profession - Ability to conduct comprehensive patient assessments and develop appropriate treatment plans - Excellent communication and interpersonal skills If you are passionate about helping individuals improve their communication abilities and personal independence that will positively impact their lives. We would love to hear from you. Apply today to join our team.
